Sub: Web enabled Central excise Tariff and Service Tax Tariff –
Reg.

As a trade facilitation and impetus towards “e-governance”, the Directorate General of Systems & Data management (CBEC) with the help of NIC has developed three new “web enabled applications” pertaining to Central Excise and Service Tax viz 1. **The query based system for Central Excise tariff, 2. Know your Service Tax tariff and 3. Know your location code.**

The query based system for Central excise tariff can be accessed through [URL:http://sermon.nic.in/public1.html](http://sermon.nic.in/public1.html) and also through link “ Know your Central Excise Tariff” placed on sermon home page ([URL:http://sermon.nic.in](http://sermon.nic.in)). The above application, upon entering CETH/product description, will give the rate of duty for Cenvat, AED (GSI), AED (TTA) etc besides giving effective rate of duty and exemption notifications for the CETH entered.

Know your Service Tax and Know your location code can be accessed through the links placed on “Citizen specific services” at sermon home page with [URL:http://sermon.nic.in](http://sermon.nic.in). The link related to Service Tax tariff, upon entering service name or part of it, will display a list of all the matching

services with their effective rate of tax, respective account head for tax/other receipts and date of introduction of service. The link related to **Location code** will display the location codes of Commissionerate/Division/Range offices, which may help the assesseees to electronically forward their forms to correct office to avail the facility of “e-registration” in respect of Central Excise/Service tax and “e-filing” of their service tax returns.

The contents of this trade notice may please be brought to the notice of all constituent members of your association in general and manufactures in particular.
